Hello There,

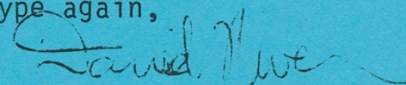

Due to popular demand, "THE LIST" has been cut down from 120 to 80 in order to insure a better standard of public health since you will be spending less time in the bathroom reading this.

Thanks this month go to Tom at the Kabuki for the William Burroughs interview, Paul Rat and RRZ for the great shows, T.S.O.L. for the marvelous gift exchange, (ugly brown t-shirts are in this year, believe me), Sandra and everyone else at the B-Square for The Brains interview, (thanks for all your cooperation and the great shows, we are going to miss the club. You've got to beware of loan shark infested waters).

Thanks to Linda at Slash for the Rank & File giveaways, Enigma Records for the 45 Grave giveaways, and to Epitaph Records for the Vandals giveaways.

Finally, gargantuan thanks to Robin at Island and Kenny Ryback at Kenny Ryback for everything and then some.

Until I type again,

Dan Niven
music director
